* Will need supervision for these projects

General:

- light bulbs

Exterior:

- Snow Teams (help with shoveling sidewalks and steps)
- Spring/Summer/Fall Maintenance
- Weed all flower beds
- Mulch
- Trim all shrubs
- Weed whack
- Cut lawn
- Spray weed killer in lower parking lots, Belgium block curbing, bases of parking lot posts, etc.
- Pull dead shrubs out before mulching
- Apply generous application of Preen granular weed deterrent before mulching
- Volleyball Sand courts: the remaining dirt and small rocks inside the new perimeter walls need to be shoveled and raked out of the sand and disposed of. This work is mainly to be found on the wall facing Route 15
